## **Parent Letter RTI Process Tier 2**

This letter is to inform you that Alkali Creek Elementary School is increasing the level of support your child needs to be successful. During this process, we will be completing in-depth diagnostic assessments that will be used to develop goals that specifically meet your child’s unique educational needs. Specific interventions will be implemented to help reach the goals written.

As a result of our intervention team meetings, your child will continue to receive Core Instruction from his/her classroom teacher. In addition to that instruction, the following intervention(s) was/were determined:

- Program \_\_\_\_\_
- Start date of frequency: \_\_\_\_\_
- Progress Monitoring will occur: \_\_\_\_\_ times per month
- Provided by: \_\_\_\_\_
- Contact information: \_\_\_\_\_
  - \_\_\_\_\_

We will continue to monitor your child’s progress over the next 4-6 weeks. If necessary, we will meet again to determine an appropriate level of support and/or changes necessary to meet your child’s specific need. Please feel free to contact your child’s classroom teacher or the interventionists listed above to see data, to answer any questions you may have about the upcoming process, and/or to answer any further questions.

Thank you for supporting your child’s academic success!

Sincerely,

Mr. Greg Senitte, Principal
